Over 330 Delegates attend IPAV & TEGoVA's First Valuation Summit

Much appreciation to all IPAV and TEGoVA Members, Delegates, Speakers & our Media Sponsor the Irish Independent. Our Valuation Summit "Mortgage Lending Value" 'Are We Ready' was an enormous success, with a record number of attendees. All speakers were thoroughly engaging and the feedback has been hugely encouraging. Mortgage Lending Value is most definitely a topic that cannot be ignored, and we believe by opening such an engaging and informative debate, IPAV can play an important role in future consultations with policy makers and stakeholders on the topic. Sitting and listening to the very well versed European speakers was a truly thrilling experience, the knowledge just flowed. Thanks must go to our Polish German and Italian speakers for their commitment to attend such an event & to allow members to benefit from their vast knowledge. A special word of thank to the IPAV staff Gen, Val and Sharon for organising a fantastic event all IPAV members can be proud of.

President's Charity Lunch – Final Places Available

We've had a great response to this years charity lunch in aid of the Temple Street Foudation, with over half of all 200 places now allocated. This is a terrific annual event, raising much needed funds for the Temple Street Foundation and a great way to start the festive period. We are honoured to welcome our guest speaker Professor Mary King, Consultant Paediatric Neurologist with Temple Street Children's University Hospital. She set up the department of neurology at the Children's Hospital and is an inspirational speaker. The lunch will take place at 1pm, Friday 04 December at the Westbury Hotel, Dublin 2. To secure your place, please complete and returned to IPAV the necessary booking form available [here](#). Please note, payment must also be received to complete your booking. Cost is €60.00 per person.

Congratulations to IPAV Graduates

A very proud occasion for all IPAV/ITT students who successfully graduated with a Level 6 Higher Certificate in Real Estate (Valuation, Sale & Management). To have 44 newly qualified property professionals is a great achievement for all involved. We wish them every success and congratulate them on not only their qualification, but their commitment and hard work throughout their studies.
